Dear Dr. Bunn -

During a phone interview we conducted on Jan. 11, 2010 you indicated that you have submitted a new set of 20 claims. However our record still has not shown any new claims. Could you please fax to me the new claims that you submitted in January 2010? I also need a returned receipt from the PTO indicating the date that the Office received your claims. Please call me at the phone number below if you have any questions.

Best Regards,

Ngoc-Yen Vu

Att: Vu, Ngoc Yen T

Today in our phone discussion with Primary Examiner, Art Unit 2622, Vu, Ngoc Yen T regarding the USPTO Notice of Incomplete Nonprovisional application 12/588,593 request (copy attached), Vu, Ngoc Yen T suggested that the USPTO misunderstood our response to the office action from her (copy attached) for our patent application 10/626,888 and by mistake opened this new application 12/588,593.

Vu, Ngoc Yen T discovered that our reply to her office action on application 10/626,888 which we mailed to the USPTO Oct. 16, 2009 had been mistakenly interpreted as a new patent application and that she would phone us again Jan. 11th regarding having this reply transferred from application 12/588,593 to the correct application:

Application 10/626,888
Filing Date 07/25/2003.

We have decided that to keep costs down and to speed consideration of this application, we are herein requesting that claims 1 to 139 be cancelled and that only the NEW claims 140 to 159 be considered for this patent application. The full 159 claims are attached.

Thank you for your assistance in this matter.

Sincerely,

Frank E. Bunn
